

# BDO JOINS HANDS WITH WORKRUNNER

**As part of our continuous desire to provide excellence in meeting the needs of industry, BDO is pleased to sign an exclusive reseller agreement with Workrunner inc. The agreement has been signed off to adequately address the businesses requirement of a customized software solution.**

As part of our continuous desire to provide excellence in meeting the needs of industry, BDO is pleased to sign an exclusive reseller agreement with Workrunner Inc., for their flagship software AuditRunner.

WorkRunner inc. is a Santa Clara, California based company founded on years of Business Process Management experience. It primarily offers modules for Internal Audit, Risk & Control, Quality Assurance and Data Protection management under the AuditRunner portfolio.

The software is among “The Top 10 Audit Software” according to independent Gartner G2 Review and is ranked as a High Performer in Audit Management, Operational Risk Management, and Quality Management software categories.

In this context, we believe that this agreement will uniquely address the needs of the market through best in class services.
